

## CASE IH NO. 1™ ENGINE OIL

Your engine takes a tremendous pounding day in and day out. But you can protect and preserve it with the best engine oil available CASE IH NO. 1.

CASE IH NO. 1 is a premium high performance diesel engine oil designed to stand up to the toughest harvest operating conditions. Less susceptible to thermal and chemical breakdown No. 1 provides excellent oil consumption control and maximum engine wear protection.

Compare before you buy. Use the engine oil specifically designed for your equipment and field conditions. Prolong your hard working engine's life, use CASE IH NO. 1 heavy-duty engine oil.

## CASE IH HY-TRAN PLUS®

Up to 70% of all transmission and hydraulic system failures are fluid related. So protect and preserve your equipment with Hy-Tran Plus and prevent costly downtime. It's the result of years of Case IH lubricant research.

HY-TRAN PLUS is blended to provide optimum machine performance and long life in the most severe operating conditions.

Provides superior wear protection for hydraulic components, drive train gears, and other transmission parts.

Controlled frictional characteristics provide safe, smooth operation of wet brakes and clutches.

Excellent filterability provides extra protection against system contamination.

## 251H EP MULTI-PURPOSE GREASE

A lithium soap extreme pressure grease for wheel bearings, universal joints, spline shafts, water pump bearings, and chassis lubrication.

Specially formulated for those tough jobs like protecting the teflon bearings in the variable torque sensing units.

## 135H EP GEAR LUBE

This premium extreme-pressure gear lubricant provides superior foam and oxidation stability and reduces the risk of corrosion and deposits that can cause costly damage to your equipment. It's formulated to stand up to high-temperature conditions.

Uniquely prevents objectionable deposits and corrosion in gear cases, bearing rollers, races and thrust washers.

## SYSTEMGARD®... The easy way to avoid costly repairs!

Why risk costly system breakdowns and downtime? Let SYSTEMGARD lubrication analysis tell you what's really going on inside your engine, transmission and hydraulic system.

Detect problems early, spot trends and keep small easily fixed problems from becoming serious harvest stopping ones.

SYSTEMGARD... the best "early warning system" on the market.
